

Newsies Music Audition Sides

Please choose two songs you would like to sing for your audition from the list below. If you are auditioning for a specific role please choose the song noted with that character's name. We ask that you all be familiar with "Carrying the banner" or "Sieze the day" along with the song of your choice if you are auditioning for a specific role. We are hoping to hear both songs at the audition but please understand we may have you only sing one if time does not permit. Here is a link to the Newsies Jr soundtrack on YouTube (with commercials)
Or you can simply look it up on you tube under Newsies Jr Soundtrack.

"CARRYING THE BANNER"

NEWSIE -(Everyone)

Ain't it a fine life carrying the banner through it all
A mighty fine life carrying the banner tough and tall
When the bell rings, we goes where we wishes
We's as free as fishes, sure beats washin dishes
What a fine life ,carrying the banner home free all !

"SEIZE THE DAY "

DAVEY and NEWSIES

Now is the time to seize the day
Stare down the odds and seize the day
Minute by minute, that's how you win it
We will find a way
But let us seize the day

" JUST ANOTHER PRETTY FACE"

MEDDA

I'm more than just a pretty face.
Don't try to keep me in my place.
You think there's all these big things ladies can't do
Or is it that you're scared we'd do 'em better than you?

"SANTA- FE" (prologue)

JACK AND CRUTCHIE

And while I ain't never been there
I can see it clear as day
If you want,
I betcha you can see it too.
Close your eyes... come with me
Where it's clean and green and pretty
And they went and made a city out a clay
Why, the minute that you get there,
Folks-'ll walk right up and say
Welcome home, son.
welcome home to Santa-Fe

"WATCH WHAT HAPPENS"- KATHRINE

Not - only that there's a story behind the story:
Thousands of children exploited, invisible
Speak up, take a stand, and there's someone to write about it
That's how things get better
Give life's little guys some ink and when it dries
Just watch What happens
Those kids will live and breathe -on the page
And once they're center stage
You watch what happens

Go to End of song :
...and it just so happens that we just might win
So whatever happens
Let's begin
